September 2017

The CVAG Exhibition at the Chula Vista Center shopping mall is a success. We are open through September 14th for the visitors and the take down is on September 15th 1pm - 4pm. Our hours of operation are 1 pm to 7 pm.

I would like to thank our members for amazing cooperation in putting our largest show together. I would also like to thank all our guests who attended the Opening Reception on Saturday, September 9. The reception was a blast. It was very well attended and we generated some sales.

Once again, our guild has proven that we can make a difference in our community. All of that was possible thanks to the support of the **City of Chula Vista Cultural Arts Department** and the generosity of the **Chula Vista Center's Management team**.

## *From the President*

Dear members and friends of CVAG,

As I write this, our exhibit at the Chula Vista Mall is in full swing. When I dropped off my paintings last Friday, you could feel the excitement in the air. And the paintings, nearly 100 of them, filling the space in brilliant color. This is the largest exhibit that the Guild has ever had, at least in the memory of the current membership. What I also find exiting is the response from membership, who are volunteering their time and energy to support this event, even those who do not have paintings in the exhibit have volunteered. Thank you all.

Special thanks go to **Lynette Tessitore-Lopez**, Cultural Arts Manager from the City of Chula Vista for helping us have this and to **Katarzyna Lappin** for her outstanding work in the planning and implementation of the event. And of course, to the Mall's management team for making this possible.

On another topic, – my heartfelt thanks to **Julia Running** for filling in as President these past weeks while I have been out and to so many of you who have sent me notes and cards during my recovery. Thank you all.

Looking forward to seeing you all in September.

Warmly,  
Carol
